

Research Laboratory for Archaeology and the History of Art

Climate and Chronology Group

Term Card – HT 2019

Lecture Theatre, 1 South Parks Road, Tuesdays 12-1 pm

The Climate and Chronology group brings together like-minded individuals in an informal setting. We want to produce stimulating discussions, disseminate high quality data, and learn more about current research. We welcome anyone who is interested in climate and/or chronology.

Week 1 – 21st January

DR GRETEL BOSWIJK | Director of Tree-Ring Laboratory | University of Auckland Te Whare Wānanga o Tāmaki Makaurau |

Dendrochronology in New Zealand: Challenges, opportunities and recent developments

Week 2 – 28th January

DR VINCENT HARE | Lecturer | University of Cape Town |

Effects of CO2 on Palaeoclimate and Palaeodiet Reconstruction

Week 3 – 4th February

DR CÉLINE VIDAL | Department of Geography, University of Cambridge |

Timing and dispersal of Middle Pleistocene caldera-forming eruptions in Ethiopia

Week 4 – 11th February

TBC

Week 5 – 18th February

PUB LUNCH AT THE ROYAL OAK

Get to know one another better with drink, food & informal discussion. Meet at SPR1 entrance at 12 pm for 12.10 pm reservation

Week 6 – 25th February
