

GRADUATE ARCHAEOLOGY

SKILLS SEMINAR SERIES

Michaelmas 2021

Seminars are held in the lecture theatre at 1 South Parks Road, weeks 1-3 and 5-7.

Week 1 (13th October) 2.30 pm

Dr Lorena Beccera Valdivia: 'Introduction to radiocarbon dating: archaeological applications'

Week 2 (20th October) 2.00pm

Dr Sophy Charlton: 'Introduction to ancient DNA'

Week 3 (27th October) 2.00pm

Abi Allan: 'Using/Applying Archaeological Skills in a Museums & Heritage Setting'

Week 5 (10th November) 2.00pm

Jonathan Lim: 'Introduction to Satellite mapping'

Week 6 & 7: to be decided

The final two seminars shall soon be determined. All students may submit requests to the GAO or the Skills Seminar co-ordinator: whether you wish to learn something outside your specialisation or a skill you shall need in your own research!

Seminar co-ordinator: Roswyn Wiltshire
