Climate & Chronology Seminar Series

Lecture Theatre, 1 South Parks Road
Tuesdays 12:00-13:00

The Climate and Chronology group brings together like-minded individuals in an informal setting. We want to produce stimulating discussions, disseminate high quality data, and learn more about current research. We welcome anyone who is interested in climate and/or chronology.

Please sign up to our mailing list (climchron@maillist.ox.ac.uk) for seminar announcements.
Any queries contact Stacy Carolin: stacy.carolin@arch.ox.ac.uk

Michaelmas 2023 Term Card

WEEK 3 - 24TH OCTOBER

ANDREJ MACZKOWSKI | PhD student in Archaeological Sciences | Universität Bern |
Lakes, dendrochronology, and radiocarbon: higher resolution chronologies for the SW Balkans

WEEK 5 - 7TH NOVEMBER

CHRISTOPHER DAY | Research Fellow in Stable Isotopes | University of Oxford |
North-West Saharan Holocene rainfall driven by interhemispheric temperature differences (with climatic and archaeological considerations)

WEEK 7 – 21ST NOVEMBER
