

Marie Skłodowska-Curie 2024 European Postdoctoral Fellowships

School of Archaeology guidance for Expressions of Interest

The School of Archaeology welcomes Expressions of Interest from researchers for the 2024 Marie Curie European Fellowships. The funder's deadline for applications is **Wednesday 11 September 2024, 4pm UK time**. For full information about the Scheme, please see the [EC website](#).

The first step in submitting an Expression of Interest is to contact an academic member of the School of Archaeology who would be happy to support your application and act as supervisor for the Fellowship if your application is successful. If you have any queries about this, please contact research@arch.ox.ac.uk.

Candidates should then submit an *Expression of Interest* to the School by email attachment (to research@arch.ox.ac.uk) no later than **Monday 17 June 2024**. This should consist of a single pdf document containing the following information:

- a) CV
- b) *Summary of the intended project (up to two A4 pages)*
- c) *Rationale for basing your project at the School of Archaeology. Please include details of any facilities that would be required from the host institution (e.g. IT resources, lab facilities for scientific analyses) during the Fellowship*
- d) *A brief statement of support from the academic within the School who will support your application and act as supervisor if your application is successful, indicating their support of the proposal and the applicant and the relevance of the research to the broader interests of the School.*

All applications will be assessed on academic merit, the feasibility of the proposed research project and the extent to which the work fits with existing interests of the research cluster and the School. The School will consider its research priorities and resource implications when reaching a decision.

Please note that in cases where the School agrees to support an application, a full draft of the application will need to be submitted to the School for review by **Monday 29 July 2024**.

If you have any queries about the application process, please contact us at research@arch.ox.ac.uk
